

MISSION STATEMENT

Middle Tennessee Chapter of the Society for Neuroscience (MTNCSfN) was formed to unite neuroscience in Nashville and surrounding areas.

Numerous activities are designed to promote the exchange of information and ideas between neuroscientists at all levels and to inform the public about brain science.

Dr. Sanika Chirwa
President

Dr. Craig H. Kennedy
Secretary-Treasurer

Dr. Elaine Sanders-Bush
Past President

Meetings:

In addition to regular meetings, the chapter organizes events such as a Grass Traveling Scientist Lecture and specialized scientific mini-symposia and participates in local Brain Awareness activities designed to educate the public about the brain and brain diseases.

Training:

The annual spring meeting of MTNCSfN is designed to highlight neuroscience trainees and their research. In addition, we compete at the national level for Chapter Graduate Student and Postdoctoral Fellow Travel Awards.
